The South Central Section PGA Tournament Committee has the responsibility of proposing rules and regulations governing all competition in the Section tournament programs. Such rules and regulations must be approved and adopted by the Board of Directors. The Board shall publish the Rules and Regulations governing the Tournament Program including all Chapter events. *USGA Rules of Golf* shall govern all play except as modified by Local Rules. ARTICLE III

Schedule

The Tournament Chairman and his Committee shall formulate an annual tournament schedule of events which will permit full participation by eligible members, and which must be approved by the Board of Directors. The Section will publish a master calendar, listing all Section and Chapter events, in January of each year.

ARTICLE IV

Sanctioned and Approved Events

Section 1. Sanctioned Events

South Central Section PGA Members and Apprentices are encouraged to participate in Section sanctioned events in order to support Section programs and sponsors. Any golf competition played within the geographical territory embracing the South Central Section, in which more than twelve (12) SCPGA golf professionals participate, charging an entry fee and/or offering a purse as prize money, or an appearance fee, must be sanctioned by the Section or Chapter Tournament Chairman or the Executive Director in order for South Central Section Members and Apprentices to participate as competitors.

When an event is sanctioned the South Central PGA will:

1. Publicize the event in its calendar of activities.
2. Approve Member and Apprentice participation.
3. Assure no conflicting Pro-Am events are sanctioned by the Section on the same date as a Section Sanctioned Event or Major Championship, unless otherwise approved by the Section Tournament Committee.
4. Assure no conflicting Pro-Am events are sanctioned by the Section in the same Chapter on the same date, unless otherwise approved by the Section or Chapter Tournament Committee.
5. Assist the organizing entity with promotion of the event as needed.

Requests for sanction (other than Chapter Pro-Am events) shall be made in writing and should be received by the Tournament Committee at least sixty (60) days prior to the event. Each request for sanction will be considered separately. For an event to be sanctioned, the club serving as the host site must have a PGA Member or Apprentice Head Professional serving as the resident professional, unless otherwise approved by the Tournament Committee.

Any Chapter Pro-Am held within the Section and using more than twelve (12) Section professionals must be sanctioned by the Chapter in which it is played. The Pro-Am shall be scheduled through the Chapter Tournament Committee Chairman. Each Chairman will then communicate with the Section Office, which will then approve the dates or suggest changes as they relate to the National or Sectional tournament program.

Chapters may determine the method and amount of sanction fees. Currently, Chapter sanction fees are as follows: Arkansas Chapter - \$100.00 scheduling fee + 10% of total amateur entry fees; Eastern Chapter – N/A; Western Chapter – \$100.00 scheduling fee + 10% of total amateur entry fees; Kansas Chapter – N/A.

MAJOR PENALTIES - Within thirty days from the date of notification of a Major Penalty, the Participant may submit a written appeal to the Section Board of Inquiry. Failure to file such an appeal shall be deemed conclusively to be an admission of the charges specified in the notification.

Section 2. Entry Requirements

- (a). All players registering for a South Central PGA Section event must be eligible at the time of the entry deadline and the date of the tournament. Players are to register on-line at www.southcentral.pga.com through Blue Golf with a valid Visa, MasterCard, or American Express. Players will sign into the Players Club with their user ID and password and then go proceed to the Schedule of Events and enter any tournaments open for registration at that time.
- Mailed, faxed, e-mailed, or telephone entries will not be accepted.
 - Any member that needs an **exception** to the above entry procedure shall call the Section Office. Below are the only extreme exceptions that would be considered:
 - Individual without access to a computer
 - For financial reasons an individual that only has cashier check, money order, or check available.

The exceptions above are not for individuals who do not want to use or hassle with the on-line entry.

All entries are subject to review by the Tournament Committee.

Section 3. Entry Priority – Non-Qualifying Events

The field for non-qualifying events conducted in the South Central Section will be determined as follows:

- (a) The defending champion in any Section Major Championship is automatically entered in this event provided that his entry is received prior to the entry deadline, and he is otherwise eligible.
- (b) All entries will be registered on the date of receipt at the Section office. In events with a limited field, all eligible professionals whose entries in major championships are received prior to the stated deadline will be accepted into the field on the basis of the priority system and the maximum size of the field stated on the entry form.
- (c) Following the stated deadline, the field will be paired according to the time constraints set by the tournament committee and host facility. If the field is not full, entries received after the entry deadline will be placed on an alternate list for the applicable event. After the original pairings have been made, alternates will only be accepted to fill incomplete groups or replace contestants who withdraw.
- (d) For all Section Major Championships entries will be accepted on a first come first serve basis.
- (e) Open to Class “A” Members & Life Members Active, with the exception of A-3 members, who are in good standing with the PGA of America. Any player who is new to the Section will be evaluated on available information as to an approximate placement on the P.O.Y points list. This will include playing ability information from other Sections, college achievement, mini-tour success and any other pertinent information. Similar placements may be made for Members or Apprentices whose playing capabilities may not be accurately reflected by the P.O.Y points lists due to injury, lack of participation the prior year or other factors.

Section 4. Entry Fees/Refunds

- (a) The amount of entry fees shall be determined by the Tournament Committee and approved by the Board of Directors. Minimum entry fees for professional, senior professional and assistant professional events shall be as follows

\$125.00 for one-day individual Section major championships;
\$150.00 for two-day individual Section major championships and all National championship qualifiers;
\$250.00 for one-day professional team events and professional/amateur team events;
unless otherwise proposed by the Tournament Committee and approved by the Board of Directors.

- (b) A full refund (less a \$10.00 administrative fee) will be granted if the player/team cancels before 5:00 p.m. on the day preceding the official practice round. If a player/team cancels after this time they will be refunded the fixed tournament expenses only (cart, range and/or food less a \$10.00 administrative fee). In cases of emergency, written requests for refunds can be submitted to the Tournament Committee within five business days of the first round of the tournament. These requests for a refund will be considered separately on their own merits.

Section 5. Arrangement of Groupings/Starting Times

- (a) Starting times and groupings for individual stroke play major championships will be done on a blind draw basis from two categories:
1. For individual stroke play non-qualifying events, the top 30 point leaders from the preceding calendar year and the current top 30 point leaders will be paired together for round one.

For events in which there is qualifying, all exempt players for that particular event (see Section 3 [a]) will be paired together for round one.

For assistant professional events, the top 30 point leaders from the preceding calendar year and the current top 30 point leaders will be paired together for round one.
 2. All other professionals and amateurs will be paired together for round one.
- (b) For the final round, the field will be re-paired by score using double tee wave or waves (reverse horseshoe) with the lowest scores off last on the first tee, middle scores off first on the first and tenth tees, and highest scores off last on the tenth tee. Subject to change according to course design and availability.
- (c) Requests for starting times will be accommodated as practicable so long as the requests are made before the pairings are completed. This applies only to the original pairings. Final round starting times and pairings are based solely on score.
- (d) Under no circumstances may a player request a specific fellow competitor with whom to play.
- (e) Players will not be called to their tees.
- (f) Players shall start at the time and the order arranged unless otherwise informed by the Section representative in charge. Prompt attendance is required of all players at their starting point of each round. Time of starting penalties shall be consistent with Rule 6-3.
- (g) Each entrant is responsible for obtaining his or her starting time.
- (h) In the event that the final number of entries received in a team event results in an uneven pairing i.e. a twosome. In order to avoid a six some, the section staff or host facility will provide at least one player (i.e. tournament sponsor, apprentice, or club member) to serve as a marker for the uneven pairing.

Section 6. Scorecard Requirements

The player's scorecard responsibilities shall be consistent with Rule 6-6 of the *USGA Rules of Golf*.

Section 7. Pace of Play

DEFINITION OF OUT OF POSITION: The first group to start will be considered out of position if, at any time during the round, they exceed the time allotted to play, as detailed on the applicable Pace of Play Time Chart.

Any subsequent groups will be considered out of position if, at any time during the round, they (a) exceed the allotted time to play and (b) reach a par-3 hole that is open and free of play or fail to clear the tee of a par-4 or par-5 hole before that hole is open and free to play. Both (a) and (b) must apply for a group to be out of position.

NOTE: The Rules Committee reserves the right to time a group when the Rules Committee deems it necessary. Further, if a player is determined by the Rules Committee to be unreasonably slow he may be timed individually at the Rules Committee's discretion, regardless of whether his group is out of position.

TIMING: When the Rules Committee determines that a group or an individual will be timed, all players in the group, or the specific individual, will be informed they are being timed. A group or an individual will be informed after leaving the teeing ground and before any further strokes. Timing will discontinue when the group has regained its position. Any timing exceeding the allotted time to play will be carried over for the remainder of the round.

Other than on the putting green, the timing of a player's stroke will begin when it is his turn to play and he can play without interference or distraction. Time spent determining yardage will count as time taken for the next stroke.

On the putting green, timing will begin after the player has been allowed a reasonable amount of time to mark, lift, clean and replace his ball, repair his ball mark and other ball marks on his line of putt and remove loose impediments on his line of putt. Time spent looking at the line from beyond the hole and/or behind the ball will count as time taken for that stroke.

NOTE: A player is permitted 40 seconds to play a stroke, and an extra 20 seconds (for a total of 60 seconds) will be allowed for: (a) the first player to play a stroke on a par-3 hole; (b) the first player to play a second stroke on a par-4 or par-5 hole; (c) the first player to play a third stroke on a par-5 hole; (d) the first player to play around the putting green; and (e) the first player to play on the putting green.

PENALTIES: Any player in a group being timed, who exceeds the applicable time to play a stroke, will be informed as soon as practicable and is subject to the following penalties:

FIRST OFFENSE: Warning

SECOND OFFENSE: One (1) Stroke Penalty

THIRD OFFENSE: Two (2) Stroke Penalty

FOURTH OFFENSE: Disqualification

Section 8. Discontinuance of Play/Rain Out Procedure

- (a) The policy for discontinuance of play will be consistent with Rule 6-8 of the *USGA Rules of Golf*. The PGA representative in charge, after consultation with the Committee (made up of any Section officers and/or members of the Tournament Committee entered in the event), has the authority to order discontinuance of play due to weather conditions. The decision to resume play, postpone any part of it or cancel play rests entirely with the Committee. Discontinuance of play immediately for a dangerous situation will be signaled by one prolonged siren or horn note. Three consecutive short signal notes will signal discontinuance of play. Two short signal notes will signal the resumption of play. **NOTE:** Players should be aware of their right to stop play at any time if they think lightning threatens them, even though no signal for discontinuance has been given or heard. When play has been suspended for a dangerous situation all practice facilities including practice putting greens are deemed closed. The Rules Committee will notify players when these areas are to be re-opened.
- (b) In competitions contested at 18 holes, the following rain-out procedure will apply:
 1. One day rained out – event will be rescheduled at 18 holes at a later date.

- (c) In competitions contested at 27 holes, the following rain-out procedure will apply:
 - 1. One day rained out – event will be rescheduled at 27 holes at a later date.
- (d) In competitions contested at 36 holes, the following rain-out procedure will apply:
 - 1. One day rained out – event will be contested at 18 holes with the entire purse paid.
 - 2. Two days rained out – event will be rescheduled at 36 holes at a later date.
- (e) In competitions contested at 54 holes, the following rain-out procedure will apply:
 - 1. One day rained out – event will be contested at 18 holes with the entire purse paid.
 - 2. Two days rained out – event will be rescheduled at 54 holes at a later date.
- (f) The following guidelines are for use by the Committee in case of bad weather:
 - 1. When unplayable conditions occur, play shall be suspended. When conditions thereafter become playable, play will then be resumed, even when that round cannot be completed that day. Play may be resumed the following day to include completion of the next scheduled round. It is the responsibility of each contestant to be prepared to commence play as soon as the Committee deems the course playable. Contestants are encouraged not to leave the clubhouse facility during a delay of any sort due to the unpredictability of weather conditions.
 - 2. Every effort shall be made to finish each round as scheduled.
 - 3. In the event of a suspension during the final round, the round shall be canceled if more than half the field is unable to complete the round. If more than half the field completes the round, play should be temporarily suspended and completed when conditions permit. Consideration of this procedure would depend upon availability of the golf course as well as the type of competition.

Section 9. Policy Regarding Ties

In all individual events, should two or more professionals` tie for first position, the tie will be resolved by a sudden-death playoff, unless otherwise stated. If more than two tie, all players other than the winner will be declared joint winners of second place and share equally in the purse to be distributed. Professionals tying for other positions will share equally with others posting the same score. In all team events, should two or more teams tie for first position, all teams tied will be declared Co-Champions. Teams tying for other positions will share equally with others posting the same score.

Section 10. Prize Fund Distribution

- (a) The prize fund distribution shall be the total of all entry fees, plus the sponsorship added money, less all expenses as determined by the Tournament Committee and Staff. Each finishing position for all major stroke play event purses will be assigned a specific percentage of the total purse (see tables in Appendix I). A minimum of 33% of the field shall be paid.
- (b) Separate Tees/Same Purse Policy: In all Section sanctioned events, a separate set of tees shall be provided for senior, super-senior and female professionals. In these events, men and women shall compete for the same purse. (The man or woman professional with the lowest score shall win first place money.)

In all Section sanctioned non-point earning events, the follow yardages will be utilized;

Male Contestants	49 & under	65-6,700 yards
Male Contestants	50-64	95% of 49 & under yardage
Male Contestants	65 & older	90% of 49 & under yardage

Female Contestants

78%-85% of 49 & under yardage

Section Major Events will be conducted from one set of tees from 68-7000 yards

The Senior Match Play, Senior Hall of Fame Championship, Senior Section Championship and Senior Team Championship yardage will be determined by the Senior Association Tournament Committee. A separate set of tees will be provided for the following age groups:

Male Contestants	50-54	Maximum of 6,700 yards
Male Contestants	55-64	95% of 50-54 yardage
Male Contestants	65 & older	90% of 50-54 yardage

If an event is played at a course shorter than the maximum yardage listed, then all yardage will be scaled down proportionally.

The intent of these guidelines is that each hole does not and cannot likely be this exact differential. These guidelines should allow the Committee / staff in charge of an event to use their knowledge and discretion in order to set the golf course up in a manner that is both a good test and challenge, does not make holes play differently than the design of the hole was intended and that most importantly it allows all players to be hitting similar clubs into greens on as many holes as possible.

Section 11. Golf Cars/Caddies

Golf cars are not required in all SCSPGA major events; however, a caddie and/or golf car must be used. Contestants are not permitted to carry their own bag. No more than two golf cars are permitted per group. The Rules Committee reserves the right to modify this regulation.

Section 12. Hole In One Club

The Section Hole in One Club will include the following events;

Senior/Junior Championship	Four-Ball Championship	Pro/Scratch Championship
Pro/President Championship	Match Play Championship	Professional Championship
Pro/Assistant Championship	Section Championship	
Las Vegas Pro-Am	Team Championship

Section 5. Scorecard Requirements

- (a) The professional contestant is responsible for maintaining the scorecard for the team. He shall enter the gross score of an amateur when that score is used as a best ball. He shall enter the best ball score(s) for each hole. The scorecard shall be signed by the professional and attested by one of the amateur team members. Penalties for violations shall be consistent with other scoring violations.
- (b) It is the competing professional's responsibility to examine the official scorecard for accuracy prior to the round. Any inaccuracies including the allotment of handicap strokes for amateurs shall be reported to the host professional or the Committee.

Section 6. Pace of Play

- (a) When playing in groups of four, allowing an average of 15 minutes per hole, a round should be completed in 4 hours, 30 minutes.

- (a) The policy for discontinuance of play shall be consistent with Rule 6-8 of the *USGA Rules of Golf*.
- (b) The host professional, if not competing, or a committee designated by the host professional, has the authority and responsibility to order discontinuance of play due to weather conditions.
