All participants received a Player towel with our Logo. We have approximately 100 towels left. We will order 150 towels with our balance for next year. We will also be ordering bases for our award bricks. These items will come off of our Net Balance of \$10,412.80.

Starting 2023, Gavin Smith will be the State Director. Dawn Darter will assist through the transition. We are still looking for a Region Director for the North East Region. We would like to thank our current Region Directors for their hard work setting up the facilities and running the events.
