2024 Fall President's Report-Matt Fraser

Thank you to staff at Big Creek Country Club for hosting the AR PGA Chapter Fall Meeting

Thank you to the officers and committee members for their hard work this year.

Congratulations to Luke Reilly on being named Golf Digest Best Young Teachers.

The Simmons Bank Championship will be held at Pleasant Valley on October 21-27, 2024.

A big push this year by the section was in the PGA Associates program. A mentorship virtual meeting is held every few weeks to give the Associates a place to work together, ask questions and get help on topics relating to the program. I ask all of you as PGA members to encourage your associates that work for you to strive to achieve the goal of PGA membership.

The final playing of the SCPGA Section Championship was played this year. Moving forward, the winner of the PNC will be our Section Champion.

Section Awards Committee has been formed to evaluate the process of Section awards and Chapter awards as a collective whole. As details emerge, I will send a note out to all members and associates on the new program.

Dawn Darter suggested we form a committee to continue with the Junior Golf programming focusing on conducting clinics around the chapter directed at entry level golfers and introducing the game of golf to juniors. It was suggested to form a committee to further explore this suggestion. There was a motion and a second from the floor to continue with this suggestion (Jeff Hamm / Chris Mayes).
