Spring Meeting 2025

2025 Spring President's Report-Matt Fraser

- Arkansas Chapter dues are required for all members to play in Chapter events. Please process your payments through BlueGolf.
 - 2024 we had just over 50% of members pay chapter dues.
- Thank you to the officers and committee members for their hard work this year.
- All Chapter Presidents within the South Central Section this year worked toward an organized governance and documentation of duties for each officer Section wide. Goal is to have all Chapters operate in the same manner so as to avoid any confusion within the Section.
 - Tournament Director position for the Arkansas Chapter will fall on the Secretaries duties with assistance from the other Chapter Board members moving forward. This will eliminate the effort to search for a Tournament director each year and puts the responsibility on the Chapter Board.
- The Special Awards process was revamped from the Section down to chapters with the direction of Derrick Vest and Section Officers/Chapter Presidents.
 - As noted, nominations are taken from all Chapters. Finalists are made for Section awards and decided by a Committee chosen by the Section Awards Committee Chairman.
 - Following Section Award selection, the nominations submitted are then filtered down the Chapters where the Board selects a Committee and awards are decided.
- SPCGA Spring meeting is February 23-24, 2025. The meeting has been revamped for efficiency and added an additional scramble golf event weather dependent following section schedule. All are encouraged to attend.
 - Associates are not charged a fee to attend the meeting.
- Congratulations to Barry Howard on winning the South Central PGA Public Merchandiser of the Year award.
- Congratulations to Darrell Shelton on his induction into the ASGA Golf Hall of Fame.
